Though It Poses As In-Your-Face Shocking, Gia" Carries A Distinct Aura of the Passe. This Hbo Film Debunks Heroin Chic Months After Its Glamour Has Faded. And As Psychobiography It Is Simplistic, With Gia A Poster Girl For Every Messed-Up Beauty of the 80'S. Yet If Gia" Is Not Eye-Opening, It Is Certainly Eye-Filling. In An Amazingly Brash and Seductive Performance, Angelina Jolie Holds the Film Together the Way Gia Herself Held the Attention of the Camera and the People Around Her. Ms. Jolie Remains A Magnetic Presence Even When the Script (By Jay McInerney and Michael Cristofer, the Film's Director) Turns Toward Predictable Mush. With An Enticing, Jazzy Score By Terence Blanchard and A Syncopated Visual Style To Match, Gia" Is Superficially Good Enough To Make You Wish It Were More Trenchant.	1998-02-25	TX 4-625-253	2009-08-06	TX 6-681-629
